### Ward 1 CAN BBQ

The Ward 1 Community Action Network is made up of volunteers interested in working towards building a healthier community. The Lorne Street enhancement project, currently being implemented, is one of many elements of the West End Improvement plan. To celebrate their achievements and to get Ward 1 residents and businesses together, they held a BBQ held at the Weston's Bakery parking lot. Ward 1 Councillor Joe Cimino said, "I am so pleased with the outcome of this project, which has had such an impact on beautification efforts for this stretch of Lorne Street..."

Tom Murphy and John Katerynuk welcomed members of the community to the BBQ
